# Fortified-rice makers worry as Pb agency to re-empanel them

## Pungrain Re-Issues Request For Proposal

Neel.Kamal  
@timesofindia.com

### No disruption in sales, says official

Punjab food and civil supplies director Varinder Sharma, when contacted, said that the standard operating procedure (SOP) about supply of FRK will continue until the new L1 bid is accepted and manufacturers are empanelled. The SOP will be reviewed after Feb 5, and until then all FRK manufacturers are bound to supply FRK until the issuance of the 'letter of award' under the new RFP. "No disruption in supplies will be allowed, and appropriate action will be taken against FRK manufacturers violating the SOP, and there is no confusion about it among the rice millers," he said.

malnutrition.

After procurement at mandis, paddy is sent to FRK millers for fortifying the grains. It is then sent to a custom rice miller (CRMs), who mills it and blends it with FRKs before delivery as custom milled rice.

Punjab State Grains Procurement Corporation (Pungra) on Monday re-issued a request for proposal (RFP) for empanelment of FRK manufacturers for supplies of FRK to rice millers. The bids were invited until Feb 5, 2026. Earlier, 126 FRK manufacturers were empanelled to supply FRK for the

kharihar' marketing season 2025-26 in Sept 2025, and some supplies were made.

Sources said that as the manufacturers were not ready to supply FRK at the fixed price of Rs 39.48 per kg, and supply of rice to the national pool was suffering, the department decided to go for new empanelment at new bid prices. The rice millers, on their part, said a confusing situation developed about the supplies at the prices fixed earlier. They said many rice millers placed orders with FRK manufacturers, which were accepted and paid for, and

as the department went for new bids, uncertainty prevailed about honouring the accepted orders.

Prem Goyal, president of Akhil Bhartiya Sheller Sangh, said rice millers were confused about the status of supplies. "The department should clarify the status of previous orders, as millers wanted supply of FRK against orders already placed, accepted, and paid for at the earlier approved rate," he said.

As per Section 10 and Section 37 of the Indian Contract Act, 1872, once an offer is accepted and consideration is received, a valid and enforceable contract comes into existence, which is binding upon both parties. Issuance of a fresh tender, by itself, does not extinguish or override pre-existing concluded contracts, unless the earlier orders are expressly cancelled through a written and reasoned order by the competent authority," he said.

# Pak installs Hari Singh Nalwa bust at Kartarpur Corridor Art Gallery

Yudhvir Rana | TNN

## Hari Singh Nalwa was one of the most formidable generals of the Sikh Empire under Maharaja Ranjit Singh

ritage and history in this region. The project was conceptualized by the founder President of Sikhs in America, Gurinder Pal Singh Josan, with renowned sculptor Jagdeep Singh Billing, under the chairmanship of Kulwant Singh Deol. The development was widely welcomed by Sikh bodies globally, especially against the backdrop of past controversies surrounding Nalwa's legacy in Pa-

kistan. Sardar Hari Singh Nalwa was one of the most formidable generals of the Sikh Empire under Maharaja Ranjit Singh and is credited with securing the north-western frontiers of the Misal Kingdom. As the governor of Kashmir, Peshawar, and Hazara, Nalwa played a decisive role in halting repeated invasions from Afghanistan, pushing Sikh rule up to the Khyber Pass for the first time in history.

The move assumed added

significance as, in 2022, Pakistan authorities erected an 8-foot-tall iron statue of Hari Singh Nalwa from Siddiqi-Akbar Chowk in Haripur district, a district named after the Sikh general himself. The statue, installed as part of a city beautification plan, was taken down following objections from religious groups, prompting strong condemnation from the SGPC and Chief Khalsa Diwan after videos of its removal went viral.

# Global ambitions mean little if Punjab remains restricted: LoP

Chandigarh: Punjab leader of opposition and Congress functionary Partap Singh Bajwa on Monday expressed concern over the Union govt's claims of export-led growth for Punjab following the India-European Union Free Trade Agreement (FTA), stating that rhetoric without infrastructure and policy support would leave Punjab excluded from its benefits.

Referring to Prime Minister Narendra Modi's address to Punjabis in Jalandhar on Sunday, Bajwa said that while the Prime Minister spoke of sending goods to Europe under the India-EU FTA, the ground reality in Punjab made such assurances deeply questionable. "The Prime Minister spoke about new export opportunities to Europe. The question Punjab asks is, 'how can our goods be sent competitively when the state itself is commercially choked?' Bajwa said.

He pointed out that Punjab's natural advantage as a landlocked border state was rendered meaningless. "The land border remains closed. Overland trade routes to Eurasia and onward to Europe, which are the most cost-effective and efficient for Punjab, are unavailable. Exporters are forced onto long and expensive sea routes," he said.
